

Quiet Corner Brief

What to know this week in the Quiet Corner, delivered every Monday.

For towns, libraries and community groups

The Brief gathers the week across northeastern Connecticut into one page: markets, town meetings, library programs, family events, music, outdoors and bakeries. Your town can send us its notices and events for free. A person checks everything before it is published.

WHY IT HELPS YOUR TOWN

Reaches people who never check the town website

Agendas, hearings and closures land next to the things residents read for fun.

Your town gets its own page

Events, markets, businesses, notices and a month calendar, at /towns/[your-town]-ct.

One place instead of scattered Facebook posts

A post is buried in two days. The Brief stays put and stays findable in search.

Free, and a few minutes of work

No account, no fee, no software. A short form, or a press kit with photos and a flyer.

WHAT WE PUBLISH

- Meetings, agendas and public notices
- Farmers markets and farm stands
- Music, theatre, art shows, open mics
- Trail days, walks, clean-ups and races
- Library programs, talks and book sales
- Family events, fairs and festivals
- Senior lunches, bingo, community meals
- Bakeries and home-based bakers

HOW IT WORKS

1 You send it

A press kit, a repeating item, a short update, or a question.

2 We check it

A person confirms date, time and place. Unverified details are marked, never guessed.

3 It goes live Monday

In the issue, on your town page and in the events list. Nothing publishes without review.
